About Us

Cat Guardians, Inc. was opened in 1990, by founder Kathy Blackwell in a two-story white house near the corner of St. Charles and Westmore Road in Lombard, Illinois. Over the years, the shelter has helped more than 3,700 cats and kittens find loving families. Many of the cats and kittens have been saved from the streets, helped to overcome medical and/or socialization issues and given the time and space they need, while waiting to be adopted. Cat Guardians also provides a permanent home for cats that are more challenging to adopt due to age, medical conditions and socialization issues.

Cat Guardians provides the best care for our kitties, and we put the animals' health, plus wellbeing above all else with a dedicated team of medical volunteers. At any given time, Cat Guardians has approximately 30 to 40 cats residing at the shelter. Most residents roam freely, having the ability to play, nap or hang-out in their favorite spots. Our shelter is a very loving and caring environment for our kitties, which makes it a pleasure to volunteer as well as to visit.

Cat Guardians is a 501(c) 3 Charity.

HOW YOU CAN HELP

Cat Guardians is funded entirely by donations and completely staffed by dedicated volunteers. We are always seeking and grateful for people that can help. This includes:

ADOPT

Cat Guardians' ultimate goal is to provide safe and loving homes for the cats and kittens we rescue. If interested, please visit our website for more information about our adoption process.
